Requirements for ORR 10255

The extension of the contract of the contract

- agreement signed by Comulka and the S viet leaders in Muscow. For example, has there been a reduction in Poland's committentie to supply coal to East Germany and other goods to other members of the Soviet Bloc? Will Poland be permitted to sell more to the West?
- 2. The Polish Parliament has passed a bill abolishing the State Roomenic Planning Commission and replacing it with an agency restricted to central economic policy questions and divested of managerial central over ministries on matters of plan fulfillment. This is the most recent of a number of steps toward some decentralisation of operational controls over Polish industrial enterprises. Any information is desired re-calargee authority of plant managers and re-greater rels of workers councils, as was introduced in Ingoslavia a few years ago.
- J. Any indication that Polish sinisterial and plant officials are less subject to influence and indirect control exercised by Seriet "advisors" and technicians. Any indication of actual department of such Seriet individuals.
